

Leamington Music Funding Pledge – e-Appeal

In order to safeguard the future of Leamington Music for many years to come, we have begun introducing Helen Beecroft into the role that Richard Phillips has performed with such creativity and imagination for the last 11 years. Helen comes from a musical background with experience as a performer and an administrator (she currently works in a senior position at Presto Classical.) She has already been understudying Richard and Veronica for some months. Until recently they had always undertaken all the hard work associated with putting on our concerts entirely on their own.

Over the next two years, as Helen continues to learn and to cover more of their work, we will temporarily incur an increase in our running costs. However, by strengthening Leamington Music now, we will be able to ensure the best possible handover of operational and artistic responsibilities to Helen at some point in the future – whenever Richard & Veronica choose either to significantly reduce their workload or to retire.

We therefore need your help to raise the target sum of £12,000. This is the total additional amount that we will be spending, spread over the next two years on a once-off, non-recurring basis.

Please help us by participating in this ‘crowd-funding’ approach – and pledge your support now.

I pledge a donation of: £ to safeguard the long-term future of Leamington Music

If you are a UK taxpayer and would like this and all future donations to Leamington Music to be Gift Aid donations please complete the declaration overleaf.
